Antiques, Garden & Design Show

The Antiques, Garden & Design Show is an event that inspires stylish living and presents beautiful gardens and objects in a way that transcends the ordinary. Since 2000, the Show has been the kickoff to spring for the Garden's visitors with fresh, colorful surprises and stunning indoor gardens. It is configured in special pavilion tents and is woven through the spaces of the Regenstein Center, allowing visitors to wander aisles of treasures throughout the weekend. New this year, the Rose Garden tent will turn into a true garden experience. In the horticulture tent, visitors will find tabletop topiaries, potted succulents, outdoor furniture, and much more!
